Re: eruv on Rockland Electric Company Utility Poles  
Borough of Upper Saddle River, New Jersey

Dear Rabbi Steinmetz:

I enclose a letter we recently received from an attorney representing the Borough of Upper Saddle River, New Jersey (“Borough”) regarding the eruv related facilities in the Borough that are attached to the utility poles of Rockland Electric Company. Please confer with the appropriate Borough officials and obtain any necessary municipal approvals for the eruv related facilities currently attached to Rockland Electric Company’s utility poles. In addition, in light of the attached letter, you should refrain from attaching any additional eruv related facilities to Rockland Electric Company’s utility poles until you have received all necessary municipal consents for such attachments.

Please contact me if you wish to discuss this matter further.

Sincerely,

  
John L. Carley
