Civil No.: 2:17-CV-05512-JMV-CLW

Civil Action

**SUPPLEMENTAL DECLARATION
OF STEVEN FORBES**

I, Steven Forbes, declare under penalty of perjury:

1. I am an employee of the Borough of Upper Saddle River ("USR") and serve as a part-time Code Official in USR's Building Department.

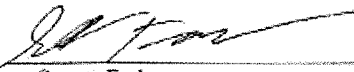

2. I write this declaration to supplement my declaration of November 2, 2017.

3. Over several days, I observed a string/fiber in the road North of the intersection of Cherry Lane and West Saddle River Road in USR. Upon further inspection, I noticed the string/fiber was partially attached to *lechis* on the utility pole north of this intersection. Further, this wire appeared to have been strung to *lechis* that are attached to utility poles on West Saddle

River Road. The string/fiber was partially in the roadway but still attached to the first utility pole across the New Jersey – New York border.

4. I took photographs of the *lechi* string/fiber over a period of days. Attached as Exhibit "C" are true and correct copies of date stamped photographs taken by me depicting a string/fiber attached to *lechis* that are attached to utility poles, and that was broken in some places causing it to be laying in the road, north of the intersection of Cherry Lane on West Saddle River Road in USR. I wrote the notes that appear on the photograph describing what I observed while taking the photograph.

I declare under penalty of perjury that the foregoing is true and correct.
