*Motion to amend complaint
granted (ref 11) and motion
to dismiss is denied, as moot
(ref 7). without prejudice*

Re: Isaac Tawil v. Jackson Township, et al.
Case No.: 3:18-cv-00706-PGS-DEA

SO ORDERED: Peter M. Sheridan
DATED: 5/18/18

Dear Judges Sheridan:

This office represents the Plaintiff in the above matter. There is a Motion to Dismiss filed by the Defendants that is scheduled to be heard on Monday, May 21, 2018 before Your Honor. Due to an office error in the scheduling, I was not aware that the Defendants' Motion to Dismiss was scheduled to be hearing on May 21st. I would like to apologize for the last-minute notice, but Monday, May 21, 2018 is the Jewish holiday of Shavuot; as such, my office will be closed, and I will not be able to attend oral argument. I am requesting that this hearing be carried to a later date.

Further, my office has recently filed a Motion to Amend the Complaint which would resolve the issues set forth in Defendants' Motion. As such, I am respectfully requesting that the Court allow Plaintiff to file a certification with the Amended Complaint as an Opposition to Defendants' Motion to Dismiss.

I contacted Howard Mankoff, counsel for the Defendants, and was informed that he is unavailable at this time to comment on this request.

Kindest Regards,

Michael Botton /s/
